Hi Marie,

Here is a summary of the follow up for this facility found in the [2020 DMR non-receipt spread sheet](#) , hopefully the facility will be submitting all of its missing DMRs this week as Mr. Freitas indicated in his email to me yesterday.

Thanks,
Neil

Massachusetts Maritime:

On 4/9/20 Nam send an email to facility for missing DMRs. 4/15- NH sent follow up email to Dan Freitas and left a voice mail with Paul Okeefe, VP of Operations. Mr. Freitas responded to NH's email and explained that he had be quarantined due to COVID-19 and would submit missing DMRs shortly. 5/12 - NH sent another reminder email to Dan Freitas about missing DMRs. Dan Freitas responded saying he was still dealing with health issues related to COVID-19. 8/6- NH contacted Alan Metcalfe (VP of Operations 508-830-5052) to let him know about missing DMRs, he said he would get back to EPA. 8-17- Dan Freitas emailed NH to say that he is finally back to work and plans to submit missing DMRs this week.

Hi

Mass Maritime is on the SNC list for missing DMR's from 3/1/2020. Has anyone contacted them or know what is going on. Thanks.
